Omnicare are advocates of client choice and control and encourage individual goal setting that supports clients to live in their homes for as long as they choose. The wide range of Omnicare’s service offering includes meal delivery, home modifications and maintenance services, personal care and supports and centre based respite for clients living with dementia.

Our approach places you in control with tailor-made services to help you live well in your own home. The added benefit as a client of Omnicare means you have access to our unique WISER Approach which is an initiative that supports clients living with dementia and their carers. The WISER Approach honours a person by facilitating purposeful engagement in activities that are meaningful to them. This innovative program delivers holistic health support, empowerment, reablement, and social connection. We're proud to offer uniquely tailored support, training, education, in home resources, and chat group opportunities for carers.

Omnicare offers affordable, high-quality services, delivered by a passionate team of carers. There are no hidden charges, and you can pay for the services you want now, or plan for future purchases. Feel confident that you have made the right choice with Omnicare.

## Services<sup>2</sup>

Personalised care is embedded in our WISER philosophy and is designed to build on your skills and wellness. By providing basic guidance and support with care and compassion, we aim to deliver high quality, affordable services. If you require mobility aids at home, home renovations, general yard upkeep, or a regular meal delivery service, our skilled coordinators will help you to manage changes as they arise and will coordinator your supports effectively. Our accommodating care team can guide you to engage in care at your home, or at one of our beautifully appointed day-respite centres located across the Hastings, Macleay, and Camden Haven areas.
