Non face to face supports

Omicare will work with you to determine what these may be, including the costs of documenting processes and expected outcomes for participants during the NDIS plan. Depending on how you choose to be supported and how you receive your funding, with transport we may bill your core supports, or provide you an invoice for **up to \$0.85 a kilometre**.

Provider Travel - Labour Costs (Time)

Omicare will bill according to your service agreement and the current NDIS price guide <https://www.ndis.gov.au/providers/price-guides-and-pricing>

Provider Travel - Non-Labour Costs

If Omnicare incurs costs, in addition to the cost of a worker's time, when travelling to deliver Face-to-Face supports to a participant (such as road tolls, parking fees and the running costs of the vehicle), we may negotiate with the participant for them to make a reasonable contribution towards these costs. The NDIA considers that the following would be reasonable contributions:

- up to \$0.85 a kilometre for a vehicle that **is not** modified for accessibility; and
- other forms of transport or associated costs up to the full amount, such as road tolls, parking, public transport fares.

Meals

Preparation and delivery of meals

This support item is for assistance with the cost of the preparation and delivery of food to participants who are unable to do this for themselves and are not in receipt of other supports that would meet the same need. The cost of the food itself is not covered by the NDIS. It can be delivered to individual participants subject to the rules set out in this *Price Guide*.

This support item is subject to quotation. It should only be used if it is a stated item in a plan.
